

Good News Children's Center Newsletter

June 1, 2016
Volume 8, Issue 6

Notes from the Office: Happy June to all of you. This will be my last newsletter to all of you. I will miss you all so much. I will try to come in and say "Hi" when I can. I am so blessed to have had you all in my life. You will never know the impact all the families and children over years have had on my life. I wish you all the best. Don't forget that the center will be closed on Monday, July 4th, 2016.

Center Happenings: Getting outside every day is really important to the staff and children of GNCC. Be sure that you have your sunscreen here for outside time. Outdoor play helps the kids to eat and sleep better and helps fight all those nasty germs that start floating around. The teachers are requesting some items for outside this summer, sandbox toys: tablespoons, plastic bowls, sieves, sifters, buckets, bubbles and sidewalk chalk. We are also in need of a sprinkler head for the hose. Water play will be as follows: Wednesday mornings, Room 6, Thursday mornings, Room 4 & 5, Friday mornings, Room 1, 2 & 3 and Friday afternoons, Room 6. So have all your swimming stuff here for the days your children will be in the water. Just in case you have never been here for water play we play outside on the playground with water tables, and a hose with a sprinkler. No pools in case you were worried.

Staff Updates: Sue's last day will be June 9th come and help celebrate at the Family picnic from 5:30-7:30.

From the Board of Directors: We will need some new people to bring their experiences to our Board of Directors, if you are interested in that group, feel free to send an email to: info@goodnewschildrenscenter.org and Barb & I will forward it on to the board chair. Maybe you have a friend or co-worker who might be interested in being part of the board. Feel free to let them know we'd be happy to have them come to a board meeting and get the feel for what the board does.
